
CRABTREE TRANSPORTATION
BELTON BUS SCHEDULES
2008-2009

The following routes are listed with a brief description and with approximate pick up times. Students need to be at their bus stop five (5) minutes prior to scheduled pick up time. There will be no door-to-door pick up unless otherwise specified. Students living one mile or less from their school are not eligible for transportation. Students wanting to ride on a bus other than their assigned bus must bring a signed note by their parent and approved by the school office. A parent or other designated person will need to be at the bus stop before any kindergarten student will be let off the bus in the afternoon. If you wish your kindergarten student to walk with an older sibling or a person other than a parent please address this in writing to the bus driver the first day of school. If there is no one to meet the kindergarten student they will be taken back to their elementary school. Routes and times are approximate and are subject to change after the start of the school year. Belton School District or Crabtree Transportation (The Contractor) will not be held responsible for the security of personal items left on the bus. Lost and found items will be held on the bus for 1 week and then brought to the office for 1 additional week. If not claimed it will be given to charity.

For questions, please contact Crabtree Transportation at 331-3200.

* Notice to Parents and students: Some students that were previously eligible for transportation may no longer be eligible due to new school boundaries or areas that are no longer deemed hazard areas.

BHS / 9th/ Yeokum Routes

	Start times:	Unload times:
9 th Grade Center:	7:20am	7:05-7:10am
